

YEAR END REPORT 2017

St. Mary Parish SHERIFF'S OFFICE

www.stmaryso.com

Dear fellow citizens of St. Mary Parish,

As many of you know I am retiring as Sheriff of St. Mary Parish effective January 7, 2018. I announce my retirement with a heavy heart. My wife, Jill, is battling a serious illness and as much as I love being your Sheriff, I feel it is my place to spend as much time supporting and being with her at this time. As I step down as St. Mary Parish Sheriff, I reflect on the advancements made by this department since 2011 when I first took the oath of office.

Cost saving measures were introduced at the St. Mary Parish Law Enforcement Center to alleviate the burden of the rising price of inmate housing. Medical and food programs implemented at the parish jail streamlined the required services. From 2011 to 2016, we were awarded over \$1.2 million dollars in grants allowing the St. Mary Parish Sheriff's Office to provide specialized law enforcement and public safety services to parish residents and businesses. Patrol vessels, the K-9 Unit, mobile command post, tactical robots, diving equipment, and D.A.R.E. are just some of the items and programs that were funded fully or in part through grants.

Throughout my terms, I worked to hire deputies with specific skill sets that would benefit you including a certified public accountant and public information officer. The summary of revenues and expenditures of the St. Mary Parish Sheriff's Office for the fiscal years ended June 2012 through June 2017 is printed below. The economic downturn in the oil and gas industry throughout the parish has greatly impacted our revenue stream, but our office has managed to make cuts that were sufficient to offset the decline in revenues. Our office has worked together to become more efficient in every department, we have reduced the total number of employees by 13%, implemented cost saving measures in the medical and food programs at the parish jail, streamlined the required services and made some changes to our self-insured health insurance plan. We are always looking for ways to save money while continuing to provide the best service possible to the citizens of St. Mary Parish.

Effective January 8, 2018, current Criminal Chief Deputy Sheriff, Scott Anslum, will assume the office of St. Mary Parish Sheriff. He and the entire staff will always have my support and I will cherish the memories made and the citizens served during my 34 ½ years of law enforcement service in St. Mary Parish.

Sincerely,
Mark Hebert
Sheriff, St. Mary Parish

A Message From Chief Deputy Scott Anslum

Dear fellow citizens of St. Mary Parish,

During my 25 years as a law enforcement officer, I have policed the streets of St. Mary Parish from the patrol car, as an undercover narcotics detective, and as a special weapons and tactics member (S.W.A.T.). I have also served in supervisory positions coordinating the multi-jurisdictional drug task force and managing the parish jail. I know firsthand that law enforcement today is ever changing. I worked as the initial accreditation manager for this agency, where I was tasked with drafting agency policy and managing the accreditation process. I worked with the department budget, as it is instrumental in certain aspects of the accreditation process. Together with the deputies of the St. Mary Parish Sheriff's Office, we brought a higher level of professionalism and accountability to the honest hard-working people of St. Mary Parish. We reached accreditation with the Commission on Accreditation for Law Enforcement Agencies (CALEA) in 2015. I believe that by continuing to work as a team we can build on our accomplishments to be the best sheriff's office in the nation.

Moving forward, I promise to continue to live by the lessons taught to me that every day that I wear the badge as your Sheriff is a privilege given to me by the people. Our badge is a symbol of the trust the people have placed in me and every member of the St. Mary Parish Sheriff's Office. It is sacred and I will never betray that trust.

I firmly believe that each member of our community can offer assistance, be it the faith-based community, business leaders, those in the education community, or the good citizens who make St. Mary Parish our home. I need your help and assure you my door will always be open to you.

SAFE BOAT

SECURE ALL-AROUND FLOTATION EQUIPPED

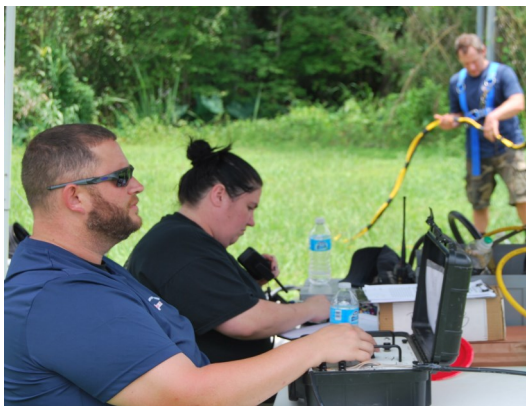

MARINE SECTION

The St. Mary Parish Sheriff's Office was awarded \$117,000 through the FEMA Port Security Grant Program for the purchase of a re-serviced U.S. Coast Guard RBS (response boat small) 25 foot boat. The boat was fully funded by the grant. The Sheriff's Office received the military surplus boat in January of 2017. With the ability to maneuver in deeper, rougher water and a climate controlled cabin, the SAFE boat broadens the Sheriff's Office Marine Section's port security and search and rescue capabilities.

DIVE TEAM

Instituted by Sheriff Mark Hebert in 2013, the Dive Team is a skilled response unit assigned to incidents of water recovery and rescue. Dive related equipment was purchased with funding through the Port Security Grant Program. In June, the Dive Team conducted a property recovery operation in Bayou Teche in Franklin. Divers located property that had been reported stolen in a home burglary as well as other items suspected of being stolen. The Dive Team is made up of deputies from various sections within the Sheriff's Office who complete extensive training to become members. All members of the Dive Team are SCUBA certified.

Deputy of the Year

During a traffic stop, Lt Moore went to great lengths to assist a fatigued driver and a passenger in getting home safely. He has also gone above & beyond in recognizing by-standers for the assistance they gave to law enforcement during a criminal investigation. Sheriff Hebert commends Moore for these outstanding acts and for the professionalism and courtesy he demonstrates daily in his interactions with the citizens of St. Mary Parish.

Under the leadership of Sheriff Mark Hebert, the St. Mary Parish Sheriff's Office has proven that it meets or exceeds Commission on Accreditation for Law Enforcement standards. The Office achieved accreditation in 2015 within the first four years of the process, a rare accomplishment nationally and something that is unprecedented in the state. The St. Mary Parish Sheriff's Office is among four sheriff's offices in Louisiana that currently hold CALEA accredited status.
