### VERIFICATION

The Board is NOT responsible for your bills and does not guarantee payment on any application nor does the Board guarantee payment of the maximum amount allowed by law. Any compensation awarded by the Board is determined by the Board within statutory and policy guidelines. The Board will notify you of any action taken regarding an application.

If you receive an award and also file a civil lawsuit, you must notify the Board and the attorney general when you file the suit.

In the event you receive an award and then receive payment from any collateral source or recover damages in a civil suit, you are then required to repay the Fund.

### EMERGENCY AWARDS

The Board may make to a victim an Emergency Award not to exceed \$500 pending its final decision on an application. This is done when it appears that an award will likely be made and undue hardship will result if no immediate relief is provided.
